

Technical Session III : Presentation- 4

Increasing Quality in the TVET System: Practical Approaches by GIZ

Dr. Noor Naqschbandi

BRIEF CV

Noor Naqschbandi is the Program Director of Private Sector Development at GIZ India, which encompasses the topics of SME Innovation, Responsible Enterprise Finance, Vocational Education and Training, Women Empowerment, Quality Infrastructure and Compliance.

Prior to this Mr. Noor A. Naqshbandi worked for the German Global Compact Network (DGCN) where he was responsible for the functional design of various learning and dialogue formats, aimed specifically at SMEs. When designing, the DGCN works closely with leading companies in the compliance area and use their experience. Mr. Naqshbandi was instrumental in the development of the "Alliance for Integrity" and coordinated the Collective Action initiative. He first worked as a consultant for the issue of corporate governance for the Indian Ministry for Corporate Affairs and is subsequently responsible as a coordinator for an expert cluster in the areas of education and governance.
